 In Manhattan Times
 No matter if you're an
 old timer or a new
 resident, I think you
 have much to learn
 about this city.
 Learning from readers
 often reveals a little
 of our hand-drawn
 in-personality, and not
 just something new.
 But up until now,
 readers have always
 been told
 before... the hand-
 writing is too ugly and
 messy (it's not clean)
 Aside from that, I
 heard that you can't
 tell a person's person-
 ality from their hand-
 writing either. I mean
 don't waste my person-
 ality to be ruined in
 my readers' eyes
 because of my ugly
 handwriting, so that's
 why I've always used
 pressure. I know
 everyone will overlook
 this reason for my
 bad handwriting if
 you are pointed with
 this work that you
 have help me by
 sending me a few
 words of praise...

[It's probably a bit late to be saying this, but (but an "Idea" story was based on my personal experience being in a high-school dorm for three years.]

The main female characters' design came from the idea of "three sisters" (Yuko is the oldest, Juku is the second oldest, even though that is a campus name, lol) kept on growing from their initial age story would be very different.

My high school dormitories were two years old, then you didn't have air conditioning, the water wasn't hot, and living there was quite hard. [But, I never dreamed that my experience there would turn into work material.]

[I really gave her a sense of "big dorm work is miserable" (I got a "big dorm" over there...)]

This isn't just for offering up to your intentions when you're hungry, but also burning material for when things kick. I want to help others with you jump up. Don't underestimate the power of just food. (The information that I use in everyday life, it can be said that I heard it all in high school.) It is said "You do not let a smiling person", but I think it should be changed to "You do not let a person offering food — that would work too."

My friends came to  
the rescue and found  
a perfect school for  
adoption.

The corridors and  
rooms were all con-  
structed out of wood  
and the windows were  
set with beautiful  
wood carvings. It was  
all very elegant.  
[Even though looking

The best thing of the

*Required item for dormitory life m.3 — Alarm clock*

Nobody has the responsibility to get you up, so you must have a big strong friend to wake you up, but if the sound's too loud the person next to you will also be woken up. So very few people dare to buy our splitting alarm clocks.

But I have a friend who has the guts to use a super loud alarm clock but also feels guilty for waking other people up, so that person keeps on putting pressure on himself to get up and turn it off as soon as it starts ringing, and therefore it always up as time (in some respects, I admit, that person is great deal)

Is underwear

One of my hobbies  
is just staying in  
my room on my  
own and admiring  
my collection.

I just couldn't  
help reacting  
to my friends'  
new underwear

A pure  
person,

would definitely  
not be the type  
who steals all  
underwear,

or does  
anything that  
perverted.

If this secret is  
discovered —

HAH, THAT  
MAY BE  
RIGHT...

THE ISSUE IS WHY  
SHE'S HERE AND...

IS...  
THAT SO

COTTON  
UNDERWEAR  
IS REALLY  
THE BEST

And is your  
favorite one

Excited

And the  
flower... what  
kind of...  
flower was it?

AND THE  
CHILDREN KIND,  
THEY'RE ALL  
REALLY PRETTY!

THE  
FLOWERY  
KIND,

LIKE THE  
ALL-FACE  
TRANSPARENT  
KIND...

Reckless

I LOVE  
TRACKER!

THEIR  
WHAT  
ABOUT  
BOWS?

TAKE IT  
EASY.

U... SORRY...  
I NEED TO GO  
TO THE TOILET...

THEN... THAT  
KIND THAT LOOKS  
LIKE IT'S HAND-  
STITCHED —

Oh  
 WHAT  
 ARE YOU  
 SAYING?

WE'RE GOING  
 SHOPPING. DO  
 YOU WANT  
 TO COME?

THERE'S A  
 CUTE LITTLE  
 UNDERWEAR  
 SHOP THAT  
 JUST OPENED  
 IN FRONT OF  
 THE KITCHEN.

EVERYONE  
 WENT IN TO  
 GET SOME  
 SAMPLES.  
 THEY SAID TO  
 BUY ANY-  
 THING CUTE.

DO YOU  
 WANT TO  
 COME WITH  
 US?

Come

So I must  
 control  
 myself at  
 all times

My  
 SUELL

Anyone who can share a room with Yūzetsu and survive must be special.

...  
REALLY?

YOU HAD A  
SECRET THAT  
YOU COULDN'T  
TELL ANYBODY  
ABOUT?

EVEN  
I...

AW, I  
SUPPOSE...

ON THE  
DURMAT.

DO YOU  
ACT NOW  
HOW WANT  
NOT?

OR ARE  
THESE  
POSSIBLE  
BETWEEN  
THE BOARD-  
ERS?

HOW  
CAN  
THESE  
NOT  
BE POSSIBLE  
BETWEEN  
THEM?

I JUST HAVE  
SOME THINGS I  
NEED TO SORT  
OUT, SO I'M  
FEELING THEM

YOU STEAL  
SOMETHING?  
OR YOU HAD  
A SECRET  
LOVE CHILD?

ARE  
YOU  
SAYING

HOW  
REALLY?

This person is  
strong...

NO.

I DON'T  
KNOW  
WHAT I'M  
TALKING  
ABOUT  
STILL.

YOU WANT  
BE VERY  
CONFUSED.

AA, I'M  
SORRY

EVEN THOUGH  
I'M TIRED OF IT,  
I STILL DON'T  
WANT TO TALK  
ABOUT IT.

BUT.

IT WAS  
JUST A  
"GAYMATH",  
I GUESS

BECAUSE I  
CAN'T TELL  
PEOPLE THAT  
I KNOW

AND I'M  
AFRAID OF  
IT GETTING  
OUT

THEN  
EVERY-  
BODY...

WOULD BE  
VERY DIS-  
APPOINTED  
IN ME

IF IT WAS  
DISCOVERED.

THAT  
"SECRET"

IS ONLY A SECRET  
BECAUSE YOU TREAT  
IT LIKE A SECRET.

HE-H?

I'LL  
GIVE  
YOU  
SOME  
SPACE.

SAID TO  
OTHER PEOPLE,  
IT'S NOT A BIG  
DEAL AT ALL.

REALLY?

YOU WOULD  
PROBABLY BE  
THE ONLY PERSON  
WHO'D SAY THAT.

—

Things have  
progressed  
this far...

It's no use.

—EVERY-  
ONE, I'M  
SORRY!

I LIKE  
THINGS WITH  
LACE

SORRY,  
I'VE ALWAYS  
HIDDEN MY  
LIKING FOR IT.

YOU...?

THAT'S  
FINE...

WOW  
ARE  
YOU

HEART

HEART

WHY ARE YOU  
APOLOGIZING?

SO I'M NOT  
REALLY AS  
COOL AS YOU  
SAY I AM.

SORRY —

WE ALL KNOW  
ABOUT HOW  
YOU LIKE THINGS  
WITH LACE.

WHY  
REALLY?

HOW  
DO YOU  
KNOW?

SOMETIMES  
WHEN WE  
SHOWER, WE  
SEE YOUR  
UNDERWEAR,  
AND IT'S ALWAYS  
VERY LACEY...

YOU GO TO  
BED WITH YOUR  
LACEY LINGERIE

AND YOUR PILLOW  
AND DUMMET COVERS  
HAVE GOT LACE  
ON THEM TOO.

SPARKLE

OH, THAT'S  
ALL, DID YOU HEAR?

EAR, LET'S  
TALK ABOUT  
THIS LATER...

A SUSPICIOUS-  
LOOKING  
PERSON  
WENT INTO  
THE SCHOOL?

WHAT?

WE'VE LIVED  
TOGETHER  
FOR SO LONG,

HOW  
COULD  
WE NOT  
KNOW?

IT SEEMS LIKE HE  
WAS GOING TO  
STEAL SOMEONE'S  
UNDERWEAR —

A FIRST-YEAR SAW  
A MIDDLE-AGED MAN  
RACING AROUND THE  
DOORS.

AA! I  
GIFT  
HER.

THE  
PERSON  
WAS SMALL  
AND THIN  
AND WORE  
A BLACK  
TRACK-SUIT...

WHERE  
DID YOU  
SEE HIM?

HAS THERE  
ANYTHING  
PARTICULARLY  
OUTSTANDING  
ABOUT THEIR  
APPEARANCE?

IF WE GO NOW,  
WE MIGHT EVEN  
BE ABLE TO  
CATCH THEM...

SURE!

AA! THE  
SIDE  
DOOR!

She has to  
retrieve her  
things that  
week...

IT WAS...  
NEAR THE  
SIDE DOOR...

YOU  
OVER  
THERE,

RAIJI-  
SEMPA  
IS SO  
COOL...

1

STOP!

WAH!

LET ME  
GO,  
YOU...

DON'T  
COME  
HERE!

AH —  
HE RAN  
OFF —

!!  
ARDY

Nearly dead...

YOUR EMBROIDERED  
HARD BECAME MUCH  
MORE OPEN... AND  
YOUR PROBLEM SEEM  
REALLY SERIOUS.

YES, PROBABLY  
DUE TO IT BEING  
REVEALED.

IT'S A  
BOARDER  
FROM OUR  
SCHOOL!

HEY, DID  
YOU SEE  
TODAY'S  
PAPER?

THAT'S  
SO  
COOL!

BEAUTY IS THE BEAST  
PIED GA YAJIU

# 美女が野獣

*Required dress for dormitory life No.4 —*

*Robe (a light fleece jacket)*

*It wasn't compulsory for each of us to wear one, but for some reason, everyone had one. At the time we were at the age when we were the most sensitive to fashion and trends, so how could that be...? My question, as it turned out, was answered quickly.*

*It was actually greatly needed... because the dorms were very, very cold (like most school halls when they were freezing). Everyone's clothing line clearly gave me the answer.*

*Especially during the period when winter was taking its spring, everyone hugged their robes even closer.*

LITTLE BOUNDS  
ALL OVER ME.

NO WONDER  
YOU DON'T  
HAVE A

YOU WALK.

EVEN  
THOUGH  
MEXICO  
IS FAR  
AWAY,

IT'S THE  
SUMMER  
HOLIDAYS.  
YOU CAN  
STILL GO  
SEE HIM.

BUT NOW  
I'M OLDER, I  
UNDERSTAND  
HIM BETTER

AT FIRST I  
THOUGHT HE  
WAS AN  
OLD DEVIL

AND THAT EVEN  
IF I WAS ALONE,  
I COULD STILL  
LIVE A GOOD  
LIFE ...

HE DOESN'T  
WANT ME TO  
HAVE TO BE  
EMBAR-  
RASSED IN  
ANY SORT OF  
SITUATION

I had a dream.

I think the place in  
the dream was Mexico.

That scene was just like a painting.

I looked at it

I began to laugh too.

Watanabe was  
laughing so happily.

I THOUGHT  
YOU'D RUN  
AWAY AFTER  
WHAT YOU DID.

HM?

YOU'RE  
STILL  
HERE?

WHERE DID  
YOU SLEEP  
LAST NIGHT?  
TELL ME!

EXPLAIN.

I'M LEAVING  
REALLY SOON!

FOR SOME REASON

Even if she's not  
playful about that  
this is just...

PASSED  
AWAY."

"HIS SISTER

"IS HE  
REALLY  
NOT GOING  
TO SEE HIS  
GRAND-  
FATHER?"

"IF HIS SISTER  
LOOKS ANYTHING  
LIKE HER, SHE  
MUST BE A GREAT  
BEAUTY!"

*Shinnosuke*

"NOT ALL  
BOARDERS  
MIGHT HAVE  
HOMES TO  
RETURN TO."

"DO YOU  
UNDER-  
STAND?"

The king that was  
blessed by the curse

Think before you  
speak. Don't put  
down things that  
are close to you  
just for fun.

—ALL  
OF THAT,  
IT WAS  
JUST MY  
GUESS.

LIKE  
THIS.

IT'S  
DONE

END FLAIR

HURRY.

The last term of school...

ended with an awesome good-bye kiss.

Lifting my head,

## ~\*~\*~\*~\*~

I made him grow up in Mexico, because Mexico gave me the feel of being rough but honest.

Even though the crime rate in Mexico is really high, they have many beautiful places, it's really an indescribable country.

At first, I only wanted Ulanche's image to be like the solitary cat-like figure, but afterwards, I couldn't ignore the sense of power that he gave off, the kind that could conquer any beast. (The readers say getting better at using things like that, too=)

But after drawing so many sketches, my assistant suddenly asked the very same thing. "For such a manly kind of guy like Ulanche, wouldn't it be a pity to give him such time?" I couldn't help but laugh (laughs) Oh wait, Ulanche just doesn't have good luck with women. Florescent, Ulanche is the type who suits uniforms perfectly, so that quality is kind of wasted on him.

## ~\*~\*~\*~\*~

If you say that Eren and her friends are strange people, then this person can be called a special person.

The final sketches of him have also been included. That's right, he used to be a totally cool guy. But as I draw on, I found myself losing his personality, and always got depressed whenever I saw him, so I decided to go in the opposite direction, and he's turned out to be rather easy to get along with.

But, if there really is a person like this in real life, I don't think I'd like him. So right now, I'm in the kind of situation where I'm saying, "I don't like you!" while I'm drawing him.

And tonight uniforms, he's quite orthodox (he even buttons the first button...).

There doesn't seem to be as many guys as there are girls in this manga. Looking closely, you can't even really tell that it's a co-ed school...

## Application For Boarding

Thank you very much for your patience with me!  
Recently, the house receiving a lot of letters from  
friends, I'm so happy.  
Because I'm not the kind of brilliant intelligent who comes  
down at the drop of a hat, I get tired when working  
with manuscripts and I postpone, because I want to  
pay back all of the encouragement that readers have  
sent me.  
It's true, yes—

If I can continue to receive everyone's thoughts and  
words, then I will be content.  
Thank you again for reading till here, and the people  
who have encouraged me— my editor, my lovely reader-  
club— I sincerely thank you all.

I hope we will meet again!
